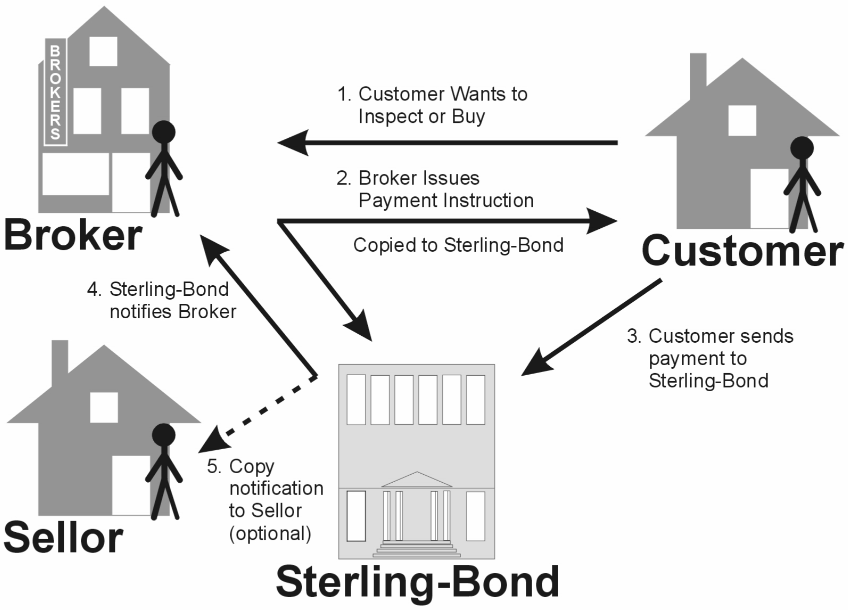
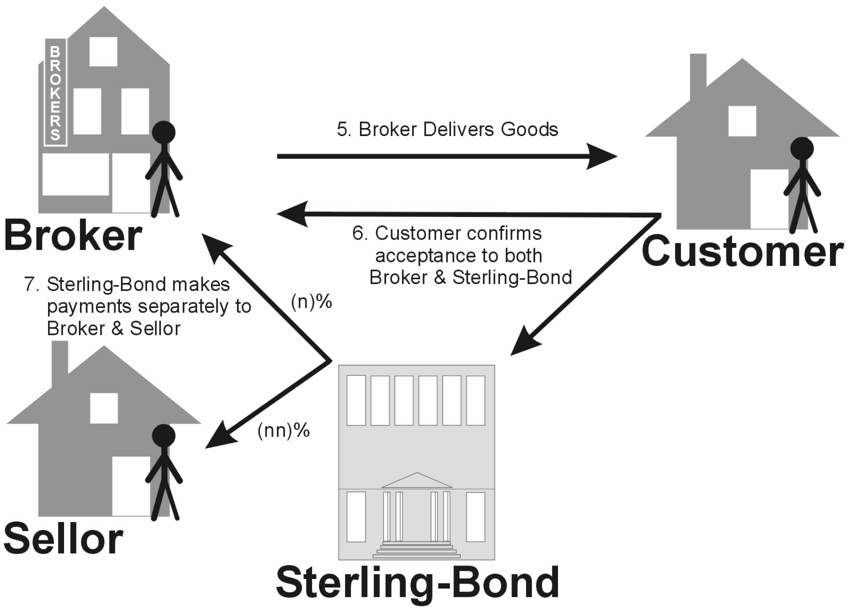
HOW IT WORKS

STAGE 1: ORDER PROCESS - Brokers



STAGE 2: FULFILMENT PROCESS - Brokers



STERLING-BOND ESCROW BROKERAGE SERVICES

FIG.1. EscrowSecure merchant accounts for brokerages, where broker and sellor are sharing a split of the sale price. Customer orders, broker gives payment instruction, copy of instruction and payment goes to Sterling-Bond to notify broker to release goods.

Fig.2. Broker delivers/releases goods, customer inspects and approves, notifying broker and Sterling-Bond. Sterling-Bond release percentage split payments separately to broker and sellor. If customer is dissatisfied then the process is halted until settled or reversed.
